

Welcome to Sherston, home to the world's only POP up village and it's jam-packed!

Held in gardens and homes around Sherston, here are a few helpful notes to enjoying POP.

Everyone involved is generously giving their time free of charge. Every penny of profit will go to *Sherston Primary School and Sherston Village Hall*.

Some of the POPs need to be pre-booked. If you are just picking this map up on the day, don't worry, there will be a list of spare places still available at the information marquee on the High Street and there is plenty to enjoy without booking.

Full details on every POP are also available at www.popupsherston.com - 'A visitors guide to POP'.

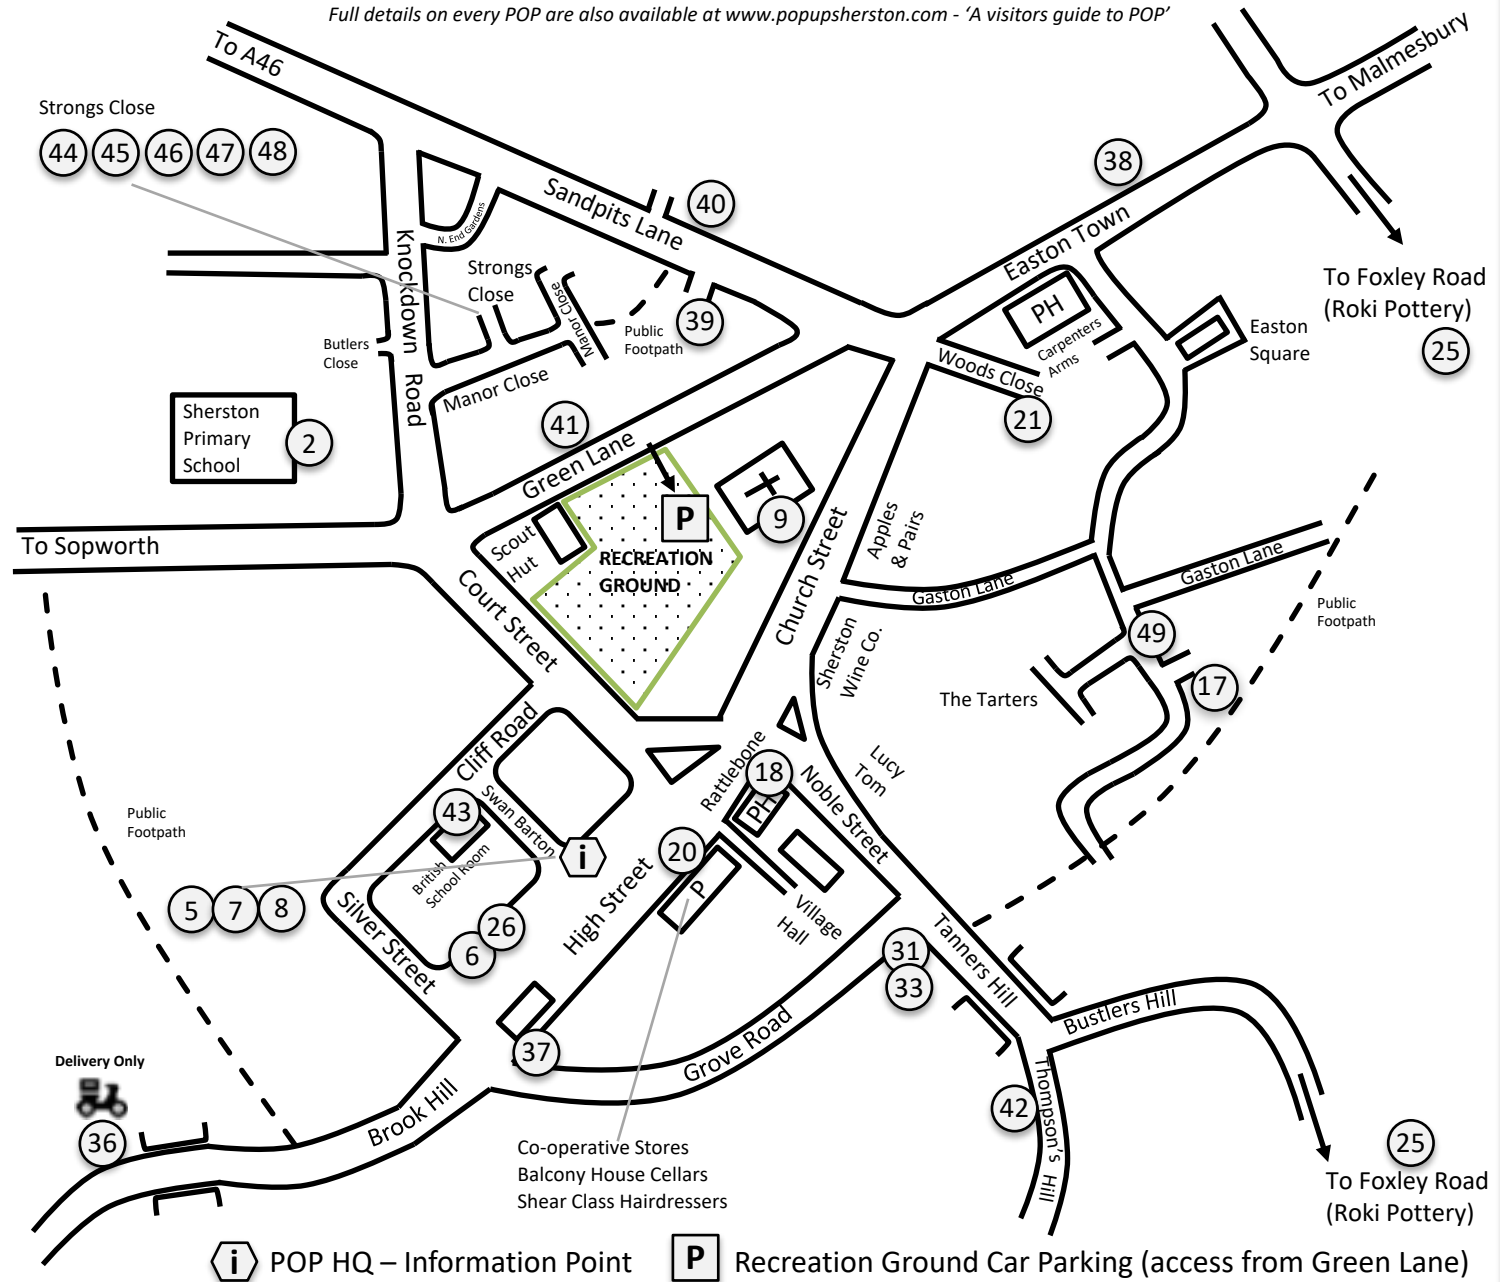

Thank you for visiting POP and we appreciate your support!

We hope that you enjoy your visit but please note that visitors making voluntary contributions/donations for goods or services from any of the POP up village's POPs do so at their own risk and Sherston Primary School, Sherston Village Hall, the POP up team, the FSS, or the volunteers running the POP ups accept no responsibility for any possible harm, loss or damage caused by participation. This is a charity event with all proceeds paid to the benefiting groups and as such prices are suggested levels of donation.
